Tribox Series

Série Tribox

ESP

La Serie TRIBOX es una gama de elementos que integra el juego, la destreza, el equilibrio, ejercicio físico y sociabilidad, todo ello bajo una estética impactante y muy actual que se adapta a cualquier proyecto urbanístico actual. Su diseño modular permite ofrecer acertadas soluciones de juego para cualquier área infantil y edad de uso.

Fabricada con materiales de máxima calidad, estructuras de acero galvanizado con pintura termoendurecida, paneles de polietileno de alta densidad, redes de trepa de polipropileno con alma de acero y zonas de pisada con polietileno recubierto de caucho antideslizante.

ENG

The TRIBOX series is a range that integrates play, dexterity, balance, exercise and sociability, combined in a striking and very modern style that adapts perfectly to any current development project. Its modular design allows it to offer successful play solutions for any playground and age group.

Made with the highest quality materials: galvanised steel structures with thermo-hardened paint, high-density polyethylene, polypropylene climbing nets with steel cores, tread areas with non-slip rubber-coated polyethylene.

FRA
