PARQUES DE CALISTENIA

Calistreetnia es la gama de **Circuitos de Calistenia o Street Workout** de Industrias Agapito. De **fabricación robusta y antivandálica**, están diseñados para su instalación en la vía pública. Todos los aparatos de Calistenia están **certificados bajo la Norma Europea de equipos fijos de entrenamiento físico instalados al aire libre EN16630:2015**.

Los circuitos de Street Workout, que ganan popularidad día a día, ofrecen espacios de entrenamiento físico y mental, fomentando valores positivos y saludables entre los jóvenes deportistas.

Postes fabricados en acero galvanizado en caliente, de diámetro 110 mm y barras en acero galvanizado con pintura de poliéster termoendurecida. Superficies de apoyo y carteles con pictograma explicativo de uso en polietileno de alta densidad. Tornillería en acero inoxidable.

ENG

STREET-WORKOUT EQUIPMENT

Calistreetnia is Agapito Industries's **Calisthenics or Street Workout circuits range**. They are **robust and anti-vandalism manufactured** and designed for their installations in public Parks. All Calisthenics equipment is **certified under the European Standard for permanently installed outdoor fitness equipment EN16630:2015**.

Street workout circuits, which are gaining popularity day by day, offer opportunities for physical and mental training, fostering positive and healthy values among young athletes.

110 mm diameter hot-dip galvanized steel posts, galvanized steel with thermoset polyester finish paint bars. Stepping surfaces and signs with explanatory pictograms in high density polyethylene. Stainless steel bolts and screws.
